Woodwind Duets & Trios

Woodwind Class Descriptions

Duets & Trios Participants must perform one (1) selection in the appropriate genre and must enter the age level of the oldest participant based on their age as of January 1st, 2026, for competitive classes.

*Popular selections should be covers from commercial artists in any of the following genres: Pop, Folk, R&B, Soul, Rock, Alternative, Indie, Jazz or Country.

Community & Adult Amateur Classes (non-competitive)

Participants will receive a written and verbal adjudication, as well as a Participation Ribbon, but will not be given marks or class placements and are not eligible for financial awards or OMFA Provincials recommendations. Community classes will be organized based on registration so that participants of similar ages and levels will be grouped together. Adults ages 29 and above must enter at the Community (non-competitive) level, and Adult & Child groups may enter Community (non-competitive) ensemble classes

Woodwind Rules & Regulations

Failure to follow the Rules & Regulations below will disqualify participants from receiving a mark or class placement. Participants may still receive written and verbal evaluations from the adjudicator. **Participants should consult the General Rules & Regulations.

Duet & Trio Accompaniment Piano accompaniment is not required but should be included if indicated in the score. The piano part is considered “accompaniment” when the piano part does not have an equal role, and the pianist is not a participant being evaluated. Duets & Trios where the piano part plays an equal role, and the pianist is a class participant should enter in the “Chamber Music” division.

Multi-movement Selections One (1) selection may consist of multiple movements. Participants may perform one (1) or two (2) movements where applicable.

Time Limit Total performance time must not exceed **twenty (20) minutes** in total for any class.

Sheet Music Participants must provide the adjudicator with a legally purchased copy of the music for all selections (a purchase receipt or IMSLP listing must be presented for digital copies), even when the piece is being performed by memory. Refer to the General Rules, Regulations & Guidelines for more information about Copyright.

Memorization is not required for Woodwind classes.

OMFA Provincial Requirements

Participants should consult the OMFA Syllabus guidelines (www.omfa.ca) if they are interested in participating in the OMFA Provincials, as the OMFA requirements may differ from the KW Kiwanis Music Festival Syllabus. At least one (1) selection must have received a mark of 85 at the local festival.
